PROFESSIONAL EXPERIENCE

UNIVERSITY OF UTAH

Salt Lake City, USA

Budget and Financial Analyst II

Apr 2026 - Present

- **Annual Budget & AOP Accuracy:** Analyzed salary-benefit ratios across units to resolve anomalies & achieve 100% policy benchmark alignment, strengthening stakeholder confidence in Annual Operating Plan (AOP) submissions & state reporting.
- **Lease Financial Modeling:** Modeled 3 lease exit strategies (termination, sublease, assignment) for a 26,365 RSF property, quantifying \$512K+ in termination liability via DCF to support senior leadership's capital allocation decision.

Financial Analyst

Jul 2025 - Apr 2026

- **Data Integrity & Month-End Close:** Resolved \$0.12M discrepancy and validated 12,415 meal plan transactions through variance analysis between StarRez and Atrium ERP platforms, ensuring accurate month-end and quarter-end close.
- **GAAP-Aligned Financial Reporting:** Built GAAP-compliant variance analysis models for 25,000+ accounts, ensuring 100% audit compliance and supporting accurate monthly and quarterly close processes.
- **Process Automation:** Engineered automated data verification pipelines using Advanced Excel and SQL, achieving 90% improvement in processing speed to support cross-functional collaboration across multi-system reporting environments.

GRADESTATE

Boston, USA

Financial Planning Analyst

Feb 2025 - Jul 2025

- **Rolling Forecast & Investment Optimization:** Built rolling forecast models improving forecast accuracy by 15%, enabling reallocation of 30% of acquisition budget to suburban markets with 20% higher projected Cash-on-Cash Returns.
- **Driver-Based Risk Management:** Implemented driver-based risk assessment models across a 50-property portfolio, driving 10% cost reduction in projected risk exposure and 25% team efficiency gain; contributed to acquisitions that beat market benchmarks by 18%.

BABSON COLLEGE

Boston, USA

Data and Finance Operations Associate

Jun 2024 - Dec 2024

- **Digital Transformation:** Executed CRM migration from Millennium to Salesforce, implementing data governance practices to maintain 98% data accuracy and uncover 1,500 donor engagement opportunities across 8 departments.
- **KPI Reporting & Process Optimization:** Applied Total Quality Management principles to improve KPI tracking accuracy and donor fulfillment satisfaction for 5,000+ requests.

BORN GLOBAL FOUNDATION

Boston, USA

Financial Planning and Analysis (FP&A) Associate

Jun 2024 - Aug 2024

- **Portfolio Forecasting & Long-Range Planning (LRP):** Improved forecast accuracy by 17% and reduced analysis turnaround by 22% for a \$50M renewable energy portfolio by engineering dynamic financial models with scenario analysis and LRP projections.
- **NPV/IRR Cost-Benefit Analysis:** Delivered 18% average ROI increase across the project pipeline by conducting comprehensive NPV/IRR sensitivity modeling and financial viability assessments.

INTERACTIVE BROKERS

Mumbai, India

Financial Operations Analyst

May 2021 - Jun 2023

- **Revenue Operations & Recognition:** Reduced operational processing time by 31% by leading three Jira-driven process improvement initiatives to enhance data integrity for executive financial decision-making and revenue recognition reporting.
- **Financial Statement Analysis:** Reduced classification variances by 23% by restructuring financial datasets to eliminate reporting errors and deliver cleaner KPI tracking insights for senior leadership.

PROJECTS

- **Hedge Fund Portfolio Analysis:** Applied Advanced Excel, Python, Bloomberg, and PitchBook to analyze a 12-security portfolio, enhancing risk-return profile by 15% using quantitative modeling and data-driven scenario analysis.
- **DCF Valuation Model:** Built a full DCF valuation model for Tesla in Advanced Excel, improving stock valuation accuracy by 20% through driver-based projections and sensitivity analysis tables.
- **Financial Statement Research:** Conducted in-depth financial analysis of GameStop Corp., identifying net income turnaround of \$48M in Q4 2022 vs. prior-year loss through YoY variance analysis.

PRIMARY SKILLS & CERTIFICATIONS
